

Beselt 2 Space Bike Rack

Model Number

BBRP-37

The Beselt 2 Space Bike Rack takes its reserved but elegant design cues from the Beselt series of benches and picnic tables. Built with form and function in mind, its aluminum frame is extremely strong and corrosion resistant and can be powder coated to match the environment it's being used. The low maintenance recycled plastic lumber acts as a buffer between the bicycle frame and the bike rack minimizing any wear and tear on both the bike and the bike rack. Easy to install and remove, its perfect in environments where the use of bike racks is seasonal. Simply add and take away as needed.

Material Specifications

Marine Grade Aluminum Frame
Stainless Steel Hardware
Super Durable Powder Coating
100% Recycled Plastic Slats
Western Red Cedar
Accoya Modified Pine
Hardened Bamboo

Customized Solutions

Custom Powder Coating
